

DISCIPLESHIP MATTERS SCHEDULE

LED BY THE REV. CAROL ANDERSON AND THE REV. DR. DWIGHT ZSCHEILE

Discipleship formation needs to be an intentional, thoughtful priority in the life of a parish so that followers of Jesus are equipped to serve him in their daily lives. In this conference, we hope to encourage and help those who attend to find ways to do that.

–The Rev. Carol Anderson

Discipleship is about going deeper into God's life and into the life of the neighborhood. Join us as we explore why this matters so much for Episcopalians today, what challenges and opportunities face us as disciples in the 21st century, and what renewed discipleship looks like in lived practice.

–The Rev. Dr. Dwight Zscheile
